Sir:

Applicant requests a refund to Deposit Account 12-1216 of \$150.

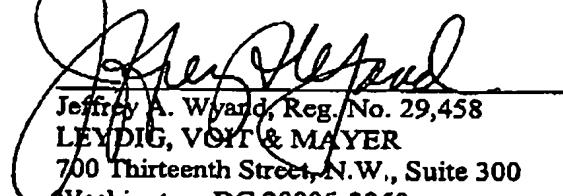

This patent application was electronically filed and entitled to small entity status which was claimed at the time of filing. At the time of filing, the patent application was incomplete because it was filed without a Declaration. At the time of the filing of the patent application, the basic filing fee at the large entity rate, \$300, was paid.

Although no Notice requiring the filing of the Declaration has yet been mailed, Applicant voluntarily filed the missing Declaration on March 12, 2007. At that time, through error, credit was not taken for the excess initial payment of \$150 in the basic filing fee. Thus, the search fee and the examination were fully paid when it was intended to pay those amounts less the excess \$150 previously paid.

In re Appn. of JUNG HOON LEE
Application No. 10/599,861

This error occurred within three months of the filing date of this Request for
Refund so that the request is timely filed.

Respectfully submitted,
